MERRY CHRISTMAS TO ALL

CHRISTMAS PARADE

"Jingle Bells, Jingle Bells," was the favorite familiar tune floating down the street on November 6. The group producing this music was none other than our own high school band which had been invited by the city to lead the parade welcoming Santa Claus to our fair city. The band played many beautiful hymns, carols, and marches.

On December 14, they will go to Bayboro to welcome jolly old Santa there.

Now that football season is over the band has settled down for some hard work on concert music. This year they are practicing on popular music which they seem to handle very nicely. Among these pieces are "Mona Lisa," "Harbor Lights," "Chattanooga Shoe Shine Boy," "Bali Hi," "I don't care if the Sun don't Shine," "Tzeena, Tzeena, Tzeena," and "The St. Louis Blues March." We are looking forward to their concert.

CHOIR PRESENTS THE "MESSIAH"

The New Bern High School Choir and Glee Club under the direction of Mr. Donald Smith presented the "Messiah" on Sunday afternoon, December 10, at 3:30, at the Centenary Methodist Church. The "Messiah" was sung very beautifully and everyone attending enjoyed it a great deal. Mr. Smith, the choir and glee club, and guest soloists should all be commended for their fine performance.

SADIE HAWKINS DAY

All of our friends from Dog Patch were here November 16 on Sadie Hawkins day and all the girls at last had the chance they'd been dreaming of to catch that "one and only" in the race!

At 7:30 the race was held, and at 8 o'clock the festivities at the recreation center started. There were booths selling hot dogs, drinks, snow balls and candy. There was a "pitch a ball" booth, a shooting gallery and a picture booth with Phil Jordan drawing freehand portraits. A "Men Only" booth had the girls most curious and fun was had at the dart game and bingo. Some delicious cakes were won at the cake walk and there was square and round dancing.

The stage was decorated in real Dog Patch style, and during the square dancing the lovely aroma of onions and turnips floated through the air.

The statistics as to how many poor unfortunate males were caught have not been compiled yet. However, everyone had a wonderful time and this Sadie Hawkins day will always be remembered.

SOPHOMORE REVIEW

November 28 found a group of excited students in New Bern High, for tonight was the Sophomore review!

At 8 o'clock the show opened with a little song "Bushel and a Peck" by the quartet made up of John Epperson, Zoila Collier, Joe Pinner and Sue Williams. Next was a delightful piano solo by Ivey Heath, followed by "You Told a Lie" sung by Ethel Riggs. Coming up was "Dances Through the Ages" enacted by Barry Eubanks, Becky Barnhardt and Dot Coplon. A song followed on the program "Sentimental Me," by Aurilla Dixon and Elizabeth Buckner, and a short musical program by Buddy Castleberry and his band. Next we had two solos — one voice and one piano by Irene Barfield and Allie Mitchell. We had a very snappy "Spanish Dance" with Barry Eubanks, Charles Bodenheimer, Edward Ferguson, Becky Barnhardt, Pat-sy Taylor and Peggy Armstrong. Next came the Twin River Boys with three nice selections and a real "ole" fashioned square dance

REVIEW OF CHAPEL PROGRAMS

Lately we have had a lot of variety in our Chapel programs, from the wonderful music of the "Deep River Boys Quartet" to the voice of Popeye.

A little while back we saw two very interesting movies on China — "A Chinese Peasant Goes to Market" and "Journey to Kun-ming (I hope the boy's are all acquainted with China; you may go there someday as a guest of Uncle Sam).

On December 4th we were entertained by Mr. Harold Welch, who is the "Voice of Popeye" on the screen. Mr. Welch, who is known as "The Man with 1,000 Voices" also puts the vocal in many other cartoons.

Everyone please support these programs by coming to Chapel. If you have any helpful suggestions to make, please see Aggie Barden.

ANNUAL GOES TO PRESS

ANNUAL GOES TO PRESS

After much hard work on the part of the Annual staff, your 1951 annual went to press Monday, December 11. The dummy is complete with all pictures and write ups; there are just a few ads lacking. Through the efforts of the business manager and editors, these will soon be in.

This year the annual staff has made a special effort to make this year's annual better than ever before, but it will not materialize if the students don't back it by buying an annual. Out of all the students of New Bern High School a little over a

BASKETBALL GAMES TO-NIGHT

NEW BERN CAGERS SPLIT TWO GAMES AT MORHEAD CITY

New Bern High School basketball teams had to settle with a split Wednesday night, December, at Morehead City. The girls won a one-sided contest from the Morehead girls 50-35, while the boys lost by a 44-37 score.

Pat Patterson was the leading scorer for the girls with 26 points. Emalou Harmon scored 12 and Jeanne Hancock 11 points. The guards, Dollie Bray, Betty Jean Russell, Aggie Barden, and Ida Gray McIlwain, all played fine basketball.

Bunky Stewart led the attack for the boys, scoring 13 points. James Diffie and Bud Williams scored 10 and 9 points respectively.

The game was a rough and rugged affair with a total of 38 fouls being called against both teams—19 against Morehead and 19 against New Bern. The Bears made 11 out of the 19.

Even though both the Girls and the Varsity are suffering from a loss of first string players, the teams are out fighting hard. They need your support.

TEAM CAPTAINS

The New Bern High School basketball teams elected their team captains this week. The boys elected Jack Gaskins and Bunk Stewart to lead them this season. Jack and Bunk are playing their fourth year of basketball for New Bern High. Both are outstanding players on the court, keeping the teams' spirits high when they are winning or losing. The girls elected Emalou Harmon as their captain Tuesday afternoon. Emalou is playing her third year of basketball. The entire school wishes all of you luck in the coming season. Congratulations, captains.

BOY'S BASKETBALL NEWS

This year Coach Morgan's Basketball Bears are hampered by inexperienced material. The loss of three first string players and the fact that none of last year's second team have played much ball against good opponents will hinder a slam-bang beginning of the season.

James Diffie, a varsity man last year, has progressed much during the summer and early fall and has succeeded in grabbing first string forward position. Bunk "The Pin" Stewart and Jack "Waco" Gaskins are holding down their last year's positions of guard and forward respectively. But Williams a junior, has couped the other regular guard position and so far he has done exceedingly well. Last but not least the old "ham" in person, Tommy Brite, is the center.

Junie Lingman, Gerald Bass, Wimpy Henderson, Jimmy Willis complete the varsity squad.

The past weeks have been spent in practicing the fundamentals and on the various types of defenses and offenses.

The first home game is Friday the 15th. Come out and support your team! Bring your parents and friends.

BASKETBALL TONIGHT

Tonight at 7:30 the New Bern High School Basketball teams will play host to the Camp Lejeune High School teams at the armory. The Girls' game will be played at 7:30 with the Varsity game following at 8:30. The teams look good, so let's all go out and support them. It's your team, so be there to cheer for them.

FOOTBALL FINIS

The New Bern Bears "took it in the head" this football season. First of all each of the teams they played seemed to have "on" night and the Bears just couldn't get going. Next the Bear were hampered by the injuries of key men throughout the season. Forney Hoke was troubled with a trick ankle all season as was Jack Gaskins with his shoulder. Hardy Swindell and Junie Lingman were plagued with bad knees. Travis Barden's wrist, Mark Skinner's hand, Jim Neal's spine and Joe Hodge's elbows completed the line's sick list. These factors, along with disciplinary actions, harassed the team all year.

The Bears defeated Greenville, Edenton and Camp Lejeune while losing to Oxford, Washington, Kinston, Roanoke Rapids, Goldsboro, Elizabeth City and Rocky Mount.

The team wishes to take this opportunity to extend to Coaches Morgan and Dickey their sincere appreciation for their efforts to bring to the city a winning ball club and would like to say to anyone who is skeptical of the ability of the two coaches, please see the writer of this article or any member of the team.

SR. NEWS

"May I borrow a 'coupla' index cards?" . . . "How do you fill out this Bibliography 'deal'?" Yes, the Seniors have launched their first, in a series of attacks, on the library to secure enough information to write their "Term Papers." That confused looking person yo use in the library is Mrs. Flowers, (who doesn't know from which side the enemy will strike next.) I might wish all of you plenty of luck, but it'll take lots more than luck to pour out 2500 words!! Agreed?

The Seniors held their second meeting of the year in order to discuss a way to raise money to leave some token of appreciation to the school. Nothing definite was decided, but a committee was appointed to look into the matter and make a report at a later meeting.

A representative from a stationery concern met with the class and took orders for the calling cards which are purchased annually to accompany our Graduation Announcements.

Don't forget to "talk up" the Bond Election which will be on January 9, 1951.

So long for now!

THE

TRIP TO CHAPEL HILL

Tally ho, and off we go!

Such was the start off of another trip to the planetarium.

The Physics class under the leadership of Mrs. Brock took a trip to U.N.C. to see the annual showing of "The Star of Bethlehem" on November 30. The weather was nice and crisp (if you call it that--Brr!) and everybody had lots of fun.

Besides visiting the planetarium, the class visited the Physics lab, and attended a lecture at UNC. At State they visited the coliseum. After eating supper in Raleigh, the class returned to New Bern.

Mrs. Rhodes took her Latin Class to the same showing on December 7. This class visited the law and medicine buildings before attending the showing of "The Stars of Bethlehem."

All the students going on these trips really did enjoy them. They are looking toward another trip.

HI-Y CHRISTMAS PROJECT

The New Bern High School Boys, Girl's Hi-Y have chosen for their Christmas project to give a Christmas to an underprivileged family in New Bern. The family consists of three children and the mother. They will be given toys, clothes and food by the group. Representatives of the clubs have visited the family in order to find out what they needed. All the gifts will be wrapped and presented to them on Saturday afternoon before Christmas.

Thanks to the many students who helped in this project by bringing toys to be repaired.

JUNIOR CLASS TO HAVE INDIVIDUAL PICTURES

For the first time the members of the Junior Class will have individual pictures in the '51 Bruin. These pictures were made by Benner's Studio. Each Junior having his picture in the annual had to pay 65c. As a whole the pictures were very good and everyone is looking forward to receiving his annual in the spring.

FRENCH CLUB PROGRAM

On Thursday, December 14, the French I class enjoyed a Christmas program. Mary Windley Dunn read the Christmas story from the French Bible, after which Lynn Garzer read a Christmas poem, "Noel," by Theophile Gautier. After Karen Crawford discussed Christmas in France, the entire class sang two French Christmas carols. The program was recorded and played back with unusual (?) sound effects.

CHRISTMAS COMES TO NEW BERN HIGH

During the past week Christmas music has been played while the student body changed classes. These records helped a great deal in creating a holiday atmosphere. Some of the favorite songs were "Santa Claus Is Coming to Town," "White Christmas", "Jingle Bells," "I'll Be Home for Christmas" and of course all the many beautiful carols.

On Thursday and Friday mornings many of the homerooms had Christmas partys. The students in the rooms all donated a small amount of money in order to have drinks, nuts, cookies or candy. Everyone really enjoyed them!

Several homerooms were decorated to add to the Christmas feeling. These rooms used crepe paper, greenery, and many beautiful cards in their decorations. The members of these classes really worked hard and everyone enjoyed seeing them.

"MESSIAH" PRESENTED IN CHAPEL

The New Bern High School choir and Glee club presented parts of Handel's "Messiah" in chapel on Thursday and Friday mornings, December 14 and 15. Mrs. Andrew Fuller was pianist and Miss Catherine Latta soloist.

On Thursday night this group sang the Hallelujah Chorus at the annual Yuletide Revue at the Recreation Center.

THE KATTY KORN

Edited by — The Kat

Hi there, everyone. Longtime no see and no talkee, but now we shall make up for that "long time."

Can it really be true that Patsy S. is to get her diamond this time??? Rumors have been around before concerning that—I was just wonedrin!

"Sherlock" Kay M. is such a good detective that she just couldn't let Craig B. out of her sight while in Raleigh. C. B. must not mean much, for comin' home there were some fireworks (and not with Craig)!!!

Christmas is the ideal time for romance. Isn't it Jean W. and Avis A., and Angela M. and Charles K. You two couples have my blessings.

Say Temple, how are you, Joe and the driving lessons coming along? Haven't hit "anyone" have you. A word of advice to drivers "Stay off the road when Temple drives."

Betty M. just can't make up her mind. She like done boy, he didn't like her and it is all over. What are you trying to do, Betty, put me out of business????

Oh, for another trip to Chapel Hill! A gay and educational time was had by all! No!!!

Shirley M. seems to be glad now that Brantley B. has come to town. Good luck, you two!!

Aggie, how was that week-end in Chapel Hill??? It's a shame that Carolina lost—but boy, wasn't it fun!! Memories!

Barry and Robert really liked those two cute girls from Raleigh. Looks like they made a big impression and that goes both ways!

A little bird informed me that Bryan S. is the guilty party as

29. Robert R. a cute freshman gal.

30. Sue C. "just a little lovin" from Pokey.

31. Pat Patterson that wonderful boy from "State."

32. Kay M. a happy holiday.

33. Everyone a Merry Christmas and a Happy New Year!

FRESHMAN NEWS

Well, here we are again with more news! First of all the students of 9-2 are very sorry to lose Mrs. Fowler, but are glad to welcome Mrs. Finch to replace her.

Miss Anderson was out for several days. But she is back now and we sincerely hope all is well.

Mr. Dickey's homeroom had a discussion on hobbies and found that many of the students have very interesting pastimes.

We are all proud of Flo Grey MacaWear, Ennis Jolly, Boots Whitford, Jo Campen, who made girls' basketball team.

All of you have a very Merry Christmas. I'll see you next year!

HOLIDAYS

The Christmas holidays begin today! School will be dismissed December 15 until January 2. The entire faculty and student body is looking forward to those holidays. After the first of the year, we must settle to some hard work. It will not be long until exams will roll around and we will really settle down to some hard work. But until then — Everyone have a VERY MERRY CHRISTMAS!!

far as those "reckless" nights go. George can breath a sigh of relief for he has been proved innocent. It is "little brother" Bryan.

Oh, these new romances! Have you heard about Carol P. and Jerry P. Good luck and we will keep in touch with you.

Katherine, isn't sickness nice, especially when a certain boy can't go back to school! Good luck and be good.

Well, gus and gals I'll write my little John Henry, but not until I wish everyone of you a very Merry Christmas and a Happy New Year. Til January this is The Kat saying—

So Long.

PROGRESS ON SAVING STAMPS

Every Tuesday is stamp day in New Bern High. On this day all students can purchase savings stamps. A representative from each homeroom collects the money and orders for the stamps. This money is turned over to the chairman of the savings committee and on the following day the stamps are given out.

The results of this program have been very good so far. All students are asked to keep co-operating with this project. After all you are saving for the future and helping your country as well.

FIGURES

Miss Hattie Ellis Lewis' plane and solid geometry classes have been learning to do curve stitching. They make up their own designs for bonus work. Out of the 67 students enrolled in the plane geometry class there have been 50 designs turned in. Among these are cat eyes, fish, stars, flags and many other designs. As a required project these students will turn in geometric Christmas cards.

The solid geometric students will also turn in a project—Christmas tree ornaments of their own design.

While in New Bern High School Ann has been an active member of the Hi-Y, Beta Club, Glee Club. She was a Marshal, Treasurer of the Sophomore homeroom, and is the Bruin typist. She is this year the vice-president of the Senior Girls' Hi-Y.

Ann plans to enter East Carolina Teachers College in September of 1951. What she plans to major in hasn't been decided; no matter what it is, we know she will make good and New Bern High School will be proud to claim her as a former student.

PAPERS NOW ON SALE

Due to the lack of funds in our advertising, the "Bear Cub" will go on sale beginning with this issue. The price of the paper will be 5c. The entire staff feels that this is but a small price to ask for the paper. Mr. Farnell explained the need of money to the Student body one day in Assembly. At this Assembly you voted to buy the paper. We hope that each one of you will do so. The number of papers printed will be cut down, so be sure and get your copy. Remember, if you want a "Bear Cub," support it by buying one!

JR. NEWS

I hope all of you have a clean stocking to hang up on the fire place for old St. Nick, for it won't be long now. I hope everyone has a nice Christmas and to do that you have to have the Christmas Spirit. You easily get that by shopping in the crowded streets and shops and with the lovely carols, playing here and there. Most of us will receive nice gifts and have turkey with all the trimmings on our table at Christmas, but think of those who will be hungry and will be cold and will receive no gifts. If you know some family who needs help, try and help them for probably you don't know what it is to receive nothing on Christmas morning. There are many organizations who collect things and take donations for such needy families colored or white in New Bern for we are all God's children. Let's try and make some one else happy this Christmas. If you were living at the time of the birth of the Prince of Peace you would give a gift to him, well you will be doing the same if you give to someone needy for Christ said 'In so much as you do it unto them, my brethren, you do it unto me.'

Well, the Juniors are well on their way to that grand night in May. We have sponsored the dances after football games, sponsored a big Halloween party and sold a lot of magazine subscriptions to raise money. We now have approximately \$500, for the Jr.-Sr. I want to thank everyone who has helped make this campaign successful. Those who donated foods for the Carnival and those who helped, so willingly, to decorate for the dances. Pokey
