Junior Girls Tri-Hi-Y Project Completed

Life On Other Planets

Thursday morning, February 9, was bright and cheerful and everyone was in a gay mood to start out for the long trip to Morehead Planetarium in Chapel Hill. The group was chaperoned by two very brave teachers, Miss Lois Mayo and Miss Kay Lewis.

"Bernie" (the bus) left with the crowd about 7:00 a. m. and pulled into Raleigh about 10:30 a. m. Everyone piled out and went for a very interesting tour of the Museum and the N. C. Hall of History. After touring Raleigh for a short while, the group boarded "Bernie" which took them to Chapel Hill. The Group was given several minutes liberty, but most everyone went straight to the Planetarium for they were eager to see and inspect the building in which so many fascinating programs were held.

They were shown a very interesting and exciting programs, "Life on Other Planets." When the lights began to dim, everyone was quiet, but after Orson Welles' recorded program of the invasion of earth by Mars started, they practically had to lock the doors to keep everyone in!!! In spite of this, the class enjoyed the program very much.

After leaving the Planetarium, they had an hour to explore Chapel Hill. Most everyone strolled around the U.N.C. campus and hunted the shops for Souvenirs to take home.

Departing from Chapel Hill, "Bernie" headed straight for New Bern, but stopped in Smithfield so his hungry passengers could get a bite to eat. A little later, "Bernie" took off again and made a non-stop trip to New

(Continued on page six)

Brotherhood Week

A series of programs were given last week on the subject of Brotherhood.

On Monday, Miss Greene gave a play, "Watch What You Say." The students were all members of the Drama Club. They were Paul Ellis, Robert Shriver, Billy Brinkley, Dot Coplon, and Carolyn Talbert.

On Tuesday, Mrs. Rhodes gave a skit called "No Monkey Shines" with Hugh Brite, Emily Suddert, Jim Lane, and Carolyn Ganger as the characters.

Betty Dixon had charge of the devotions and read an article on Brotherhood. Charles Boddenheimer introduced the play.

Wednesday, Miss Kay Lewis gave a skit entitled, "More than Magic." Students in the program were Carolyn Liverman, Phil Jordan, Mickey Gunnerson, Hugh Brite, George Smith, and Adair Grant. Joyce Boyd gave the devotion.

Thursday, Mr. Donald Smith had charge of the program. The high school chorus of 125 voices consisting of the Glee Club,

Bears Lose In Opening Round

Kinston's Red Devils defeated a hard battling band of New Bern basketeers in the opening round of the Northeastern Athletic Conference Basketball Tournament, held in the Wright auditorium at Greenville, by a score of 48-27. The Bears held the taller Red Devils to an 8-8 tie at the end of the first quarter but then the height advantage which Kinston had began to tell and at half-time they led 21-13! Kinston slowly increased its lead throughout the remainder of the game, but the Bears never gave up and were always in there crapping, hustling, and fighting to overcome the lead run up by the Kinston 5. Bunk Stewart was deadly with his set shooting and hit the net for a total of 10 points. Fred Taylor's rebound work stood out for the Bears.

The defeat was a bitter pill to swallow as it was the last basketball game in the high school careers of four seniors — Jimmy Brown, Jack Carden, Fred Taylor, and Craig Barnhardt who had never defeated Kinston in basketball.

When the girls of the Jr. Girls Tri Hi-Y took a look at the old storage room near Mrs. Rhodes' room, renovation looked hopeless but after many long hours of hard work and fun, the girls completed a lounge for the teachers of the high school. It was most educational for they learned how to paint walls, ceilings, pipes, floors, and themselves! They also learned to combine colors, redecorate furniture, make drapes, and, above all, to really s-t-r-e-t-c-h a penny! The color scheme of the lounge is yellow and green. It is attractively furnished with a studio couch, a comfortable rocking chair, a coffee table, dressing table, drapes, and a scatter rug.

The formal opening of the lounge was held Monday afternoon when the Jr. Hi-Y girls, with the aid of their Mothers, entertained the faculty at a special teacher's meeting. Delicious refreshments of hot Russian tea, cookies, sandwiches, and candy were served. After a delightful

(Continued on page six)

GEORGE SMITH CAPTURES SECOND PLACE

One of our talented seniors walked off with second place in the County Oratorical Contest sponsored by the American Legion February 24th at our local City Hall.

All the contestants were required to talk on the Constitution. George Smith captured second place with his talk on "Our Living Constitution."

George was presented a silver metal for his splendid efforts. This is not the first time that George has been able to prove his ability. He has been very active in curricula activities. NBHS salutes you George, for representing our high school in this contest.

SPOTLIGHT ON SENIORS

Now our spotlight is flashed upon Barbara Lee Benninghoff, the pretty dark haired senior girl with the long name. Barbara born March 31, 1933, is 16 weighs 110 pounds, is 5' 3 1-2" tall, and has green eyes and long dark brown hair.

Her hobby is crocheting and she likes to cook, talk, eat, and go to the show. She dislikes cabbage, carrots, collards and people who show off.

Barbara also has favorites, the main ones are: colors — pink and

(Continued on page six)

The spotlight now falls upon Craig Lentz Barnhardt, Jr., a 5' 7" 125 pound, brown eyed and brown haired senior, who was born 18 years ago on October 19 in the big City of Raleigh.

He is a boy of many hobbies the main ones are: coin collecting, making boats and model airplanes and collecting baseballs from the different professional teams.

Craig, like other boys, has many favorites, the top ones are: color — red, number — 3; foods

Thought for the Day

It is not he that reads most, but he that meditates most on Divine truth, that will prove the choicest, wisest, strongest Christian. Bishop Hall

EDITORIAL

For the remaining school year, the Safety Council of New Bern High School has planned programs on Safety. These programs will be a great advantage to us if we practice the lessons they will teach!

This council has set up a number of rules for us to follow. We should all do our part and obey them. Remember—we are setting an example for the younger children!

In the home rooms a program on safety will be given. If your home room representative on the school Safety Council asks you to be on this program or make a poster carrying out the theme of the week — please do your

16 AT LAST!!

Celebrating her long awaited step to the happiest year in her life, Joyce Boyd entertained a large crowd at a delightful formal birthday party, Saturday night, February 18th. The party was held at the Woman's Club which was beautifully decorated with flowers and varied colored balloons. Delicious refreshments of punch, cup cakes and candy were served in the dining room. Everyone had a marvelous time dancing and helping Joyce celebrate the incoming of her 16th year!

Aggie Barden

part!! This council will be a success only through the cooperation of the high school students. Lets all play safe!!

Sophomore News

Greetings all you Sophomores, and you too Raggmopp.

Now that we are all rested up from our exams and passed them all, (I hope) we'll have to settle down and work until the good old summer time gets here.

If we are going to have a Sophomore party like we discussed at our meeting, we will really have to get to work. We can have a wonderful time and get something from the experience. Most of the Sophomores don't realize it, but next year we have to give a banquet and a prom for the Senior Class. The Jr. Sr. takes a lot of work to raise the money and to put it on, and our Sophomore party will be a good experience to everyone. I think our class had better wake up and get on the ball. Don't you!

I'd like to congratulate all the Sophomores on the basketball teams. Both boys and girls have done a fine job and really need recognition. We have a couple of party giving girls we want to congratulate. They are Joyce Boyd, who gave a delightful birthday dance on February 18, at the Wiman's Club, Joyce had a nice crowd and had wonderful refreshments. Everyone said they enjoyed it.

Betty Morrison gave a birthday houseparty on the weekend of February 24-26. There were about 30 people there, and although it was very cold everyone had a grand time. I know I did, eating that is! We had the best things to eat—turkey, ham, and all kinds of cakes and everything.

I hope everyone got something out of "Brotherhood Week." It really is a good thing to be friendly with all people. This world will be a fine place to live in when all people and nations observe Brotherhood Week all the time. So long folks, see you next issue—

Concert and Tour Planned by Choir

Do you want to hear some beautiful music? If so, just come out to the Recreation Building at 8:00 p. m. on Monday or Tuesday, March 13th and 14th. That is where Prof. Donald Smith will direct the Glee club, 8th Grade Chorus, Voice Class, and A Capella Choir in a Spring Concert of choral music. It promises to be a grand performance.

The A Capella Choir is busy working on numbers for this Concert, and the tour to Monroe. Music is also being rehearsed for a choral contest to be held in Greenville March 17th. There are other programs which are planned for the choir, but some of these are not definite. So you see, the choir is pretty busy with rehearsals, preparing for a big spring.

The boy's chorus of the choir is working on a beautiful new number called "The Night Has A Thousand Eyes." This is a four-part song for male voices with a tenor part that is very high. The close harmony in this number is just "out of this world."

The boys are also singing a lively song of the sea "I Must Go Down to the Sea Again." The girls chorus is working on a beautiful arrangement for girls' voices called "I Love Thee." The girls are also singing "The Waltz of The Flowers," from Tchaikowsky's "Nut Cracker Suite."

The mixed choir is getting ready the beautiful ballad of "Madam Jeanette." A Madrigal of Merry England written in the 16th century by Morley, "Sing We and Chant It," lends an air of happiness and cheerfulness. "Ay Ay Ay," a creole song which is very pretty is also being rehearsed.

The choir will sing "Czechoslovakian Folk Dance," "Roll Jordan Roll," The Battle Hymn of The Republic," and "The Star Spangled Banner," with the Combined Chorus.

Basketball Personalities

Fred Taylor (11) is one of the outstanding guards produced from a NBHS basketball team. Although he is only 5' 11" in height, Fred has been able to get rebounds from some of the tallest boys in our conference. Some people say guards are not a scoring threat, but that isn't true with Fred. He has been high scorer in several games and continues to have about a 5 point average per game. Fred's vacant spot will be sorely missed next year.

Craig Barnhardt (3) is the chief substitute used by Coach Morgan. He has probably been in and out of more games than anybody on the team. Although Craig is the smallest boy on the team, he fights for the ball all the time. While Jack Gaskins was out, Craig played first string ball for the first time. With the return of all the players, Craig became the able substitute for any of them. He is playing his last year at New Bern.

Jack Carden (6) is the dribble king of our basketball team. He can handle a basketball just like a little boy handles marbles. Jack is another of our "jumping jack" guards. He is able to get many layup shots because of his ball handling. Lately the boys on the team have called him "Hook," because of his newly developed "hook shot." Jack is playing his last year of high school ball this year.

Jimmy Brown (4) is the chief scoring threat for the "Bears" this year. He is high scorer for the team this year with an average of 9 points per game. At his favorite forward position, Jimmy has been able to start many fast breaks. "J.B.55" is another "midget" on the team. But height doesn't make any difference to us, since one of our smallest boys is high scorer and a good defensive player. Since this is Jimmy's last year also, I wonder what Coach Morgan will do next year? I am sure that we will have another "bang-up" team.

SENIOR NEWS

By Harry Shriver

Just think seniors, 68 more school days to go. It sounds unbelievable doesn't it? But it's true.

However we will be here at New Bern High a little longer, so let's make the best of the time remaining by helping ourselves, and our High School at the same time.

The seniors have ordered Graduation Announcements and Calling Cards already. These are being engraved now, and when the company counts our deposits they will be printed.

At the Northeastern Conference Tournament Thursday, February 23, a number of the Bear's basketball players played their last game. The towering "Red Devils" from Kinston licked them, but never the less, these boys played their heart out against this fearful foe, as they have played all season. Hats off, to the boys who are leaving the Bear's roster in June! Namely: Jack Carden, Fred Taylor, Jimmy Brown, Craig Barnhardt.

Have you seen some senior running around with an armful of books, a stack of cards and worried looks on their faces? Well don't criticize them for not being too friendly, because their minds may be thousands (and possibly millions) of miles from New Bern. You see, these students are writing their "term papers" for Miss Hodges. There are a large variety of subjects that the seniors are writing about. There are some very interesting papers being written, by these English students.

I guess everyone knows about the box in the hall — that "Radio Program Music Box." Well, I just can't resist saying a few words about it. It is there for you to name your favorite record of the week. All you have to do is put a slip of paper in with the name of your selection each week. The most popular record will be played on the Wednesday night radio program. Come on folks! Let's fill the box to the brim.

Library News

"I need a non-fiction report, what's good?" or "Why do we have to read non-fiction when fiction is much more interesting?" We hear this so often in the library that we want to tell you about some interesting non-fiction.

Recently a popular movie was made from W. L. White's "Lost Boundaries." This is the true story of children who learned they were Negroes after being brought up as white people.

In "I Served on Bataan," Juanita Redmond, an Army nurse, tells her story of the fall of Bataan and her imprisonment by the Japs. Other war stories are two books by Col. Robert Lee Scott who was a fighter pilot during the war. These are "God Is My Co-Pilot" and "Damned to Glory." Still other books about the war are "Seven Came Through," by Eddie Rickenbacker, "Three Came Home," in which Agnes Keith tells of the life of her family while they were Jap prisoners, "Hiroshima," by John Hersey, and the story of "Flying Fortresses in the Pacific," by White. "Queens Die Proudly."

We have three biographies from which you are sure to get many laughs, "Cheaper by the Dozen," by Gilbreth, "Cotton in My Ears," by Warfield and "Out on a Limb," by Baker.

Then if you like to read about "far-away places," there are travel books such as "Anna and the King of Siam," by Landon, "We Live in Alaska," by Helmericks and "Our Hearts Were Young and Gay" by Skinner.

Did you know there are books about manners, personality and problems especially written for teen-agers? Girls would be interested in Ullman's "Girl Alive," and Emerson's "Off to College." For the boys we have Dickerson's "So Youth May Know," and Jonathan's "Guide Book for the Young Man About Town."

J. V.**Basketball**

This year's Junior Bears, coached by Jim Dickey, had a very good season, they won seven games and lost only four. The teams that were beaten by the Cubs included Aurora, Vanceboro, Elizabeth City, and a 34 to 26 victory over a highly favored Jasper Varsity. Kinston and Greenville each took two games from the Cubs.

The J. V.'s are made up of boys from the 8th, 9th, and 10th grades of boys who lack the proper experience to play varsity. Though the J. V.'s are not widely known throughout the school they are the boys that will compose the varsity in future years.

Hayes Clements, a 6 foot 5 inch freshman, will be a valuable asset to the varsity in future seasons and Gerald Bass, a dead set-shot artist from the corner, bears watching in games to come. James White, a fine rebound man and ball handler, also has fine varsity possibilities.

The J. V.'s wish to thank the student body and faculty for the cooperation and school spirit which they have shown and hope that in games to come they may glorify the name of New Bern; they also extend their heartiest thanks and sincere appreciation to Coach Dickey for the time and effort he has given to them.

Jose

JOKE BOX

During a discussion in one of Miss Hodges' English classes, the question of choosing colleges was brought up. Sarah Sue Tisdale contributed her bit: "Well," she said, "first you've got to decide whether you want to go to a co-education school or an educational one!"

Jimmy Durante bet on a horse at Santa Anita and the nag lost by inches. "What that horse needed," bragged an ex-jockey, "was my riding."

What he needed," corrected Durante, was my nose."

SMOKE SCREENS IN N. B. H. S.

It seems about a week ago there was a little trouble in Miss Mayo's fifth period Chemistry lab. Katherine W. was instructing the lab on acids, Bases and Salts. All the experiments on bases and acids worked perfectly, but when it came to the neutralization of a base and acid to form a salt, a little trouble resulted. It all started right, the solution was boiling and we thought we would soon have the salt we wanted. However, we didn't get salt, instead we got a little smoke and then before we knew it the whole room was filled with smoke and everyone was evacuating to the classroom.

Heroically, Forney came to Katherine's rescue by removing the beaker from the flame. Since she was in charge of the experiment, at Katherine had to stay and see that things were all right. Mr. Farnell, thinking the school was burning down, came rushing down to see where the fire had started. Katherine shakily assured him everything was under control and explained there had been too much acid and not enough base in the solution. If you ever want to smoke something or someone out, try boiling an acid and a base with too much acid!!

HEALTH AND SAFETY COUNCIL

A Health and Safety Council has been organized in the high school. It is made up of a representative from each class and a home room representative. Mrs. Griffin is the advisor.

The council has set up a schedule of programs carrying out safety for the rest of the year. Each homeroom is expected to have at least one program every two weeks on a certain subject. Posters are to be made, rooms cleaned, and any other things done to impress on our minds the importance of safety. The rooms will be graded and points given for appearance, posters, and programs. At the end of the year the Student Council is giving a prize to the homeroom having the most points.

Lets all do our part and cooperate with them.

"MUSIC"

Have you folks heard of "Music"? Well be prepared for a shock! I shall now relate to you the fascinating story of "Music"!

"Music was discovered last Monday afternoon when the Jr. Hi-Y girls were giving the teachers a tea in honor of the opening of the new teachers lounge. One of the girls dropped a nut on the floor. When she bent over to pick the lonely little nut up, it was gone!!! Were there spooks in the library?? It seems so for that nut just couldn't walk away!! The girls decided to drop another nut to see what magic was being performed!! After this was done everyone stood quietly to see if the nut would sprout legs! Lo and behold!!! Who should come out but "Music," taking his own dear little sweet time! He quickly removed the nut and scurried back to his hiding place behind the radiator!

Can you guess who "Music" is??? Well, I'll tell you in case you can't figure out this complicated problem!!

"Music" is a darling little gray mouse!!!

JOKE BOX*Still in the Running*

I am twenty-five cents.

I am not on speaking terms with the butcher.

I am too small to buy a quart of ice cream.

I am not large enough to purchase a box of candy.

I am too small to buy a ticket to a movie.

I am hardly fit for a tip, but—believe me, when I go to church on Sunday,

I am considered some money!

Elaine Jarvis, Coronet

DIFFERENCE BETWEEN LIFE AND LOVE

Life is just one thing after another!

Love is just two things after each other!

Love is like a mush room. You never know whether its the real thing until it's too late.

S U P P O R T**T H E****B E A R C L U B**

The Peek-A-Boo Column

We Peek! You Boo!

Well, well, well, things have really happened around dear ole' N.B.H.S. since you last heard from me! I might begin by saying—

Congratulations Ann! You and Kelly really gave us a surprise!! All of us join in wishing you two loads of luck and we hope that you will always be as happy as you are now!

Don't Marea and Jimmy make a darling couple! This is one of our "young romances" in N. B. H. S.—we are all pulling for you kids. It's kinda nice being a cheerleader, isn't it "Rea"???

Carolina seems to have something that interests our gals!! Connie is pulling for them extra hard now days. Wonder why—By the way, how did you and Kathryn enjoy the weekend???

Barbara Riddick and Gene (Buick) Davis seem to be getting along pretty good now days. Could a new love be blooming?

Virginia and Junie seem to be on the outs right now. Come on kids — spring is here so forget your troubles and be happy once again.

I heard that the house party for this weekend is really going to be a hum-dinger!!! Betty's house parties always turn out pretty good, don't they Betty Jo and Robert, anyway, you lucky dogs who are going—be good!!!

Attention all girls—this may interest you. It seems that now days the girls have taken up knitting socks for their fellas! Those of you who can't knit need not worry for the boys probably won't ever wear them. Besides some of the boys have such big feet!!

By the way Sarah Sue, who's the "cat" we see you with so often now days?? Good luck to you two!

Ken, is Corinne a good caddy? Don't make her work too hard—after all!!

Craig, has the love bug finally hit you? It looks that way. Carol is a mighty sweet little girl—so the best of luck to you two!

New romances!! Aren't they wonderful?? Georgia and Bobby

seem to think so—don't you?

Now for the \$64 question — Whitford—just who do you love — "Carolina" or "Chemistry"??

Oh, those basketball trips? They're really wonderful—are n't they Kay and James? Better watch out Kay, Mary Elizabeth G. has her eyes on James also.

It seems as if Ann Whitford has been walking around in a daze lately. Maybe seeing John while in Raleigh with the Chem. Class has something to do with it. Does it, Ann??

Before the paper went to press we got the low-down on Betty Morrison's houseparty. They say it was wonderful!! All the couples had a grand time around that open fire place. T'was nice to see Junie and Virginia together again. "Old Man Winter's really drove Temple and Joe and Betty Jo and Robert off that pier. Seems I heard that every time all went to sleep a record named "Music, Music, Music" mysteriously started playing. How about it Georgia?

What little Southern Gal went for a stroll with a "Yankee" boy in Greenville the other night?

Speaking of Greenville these cheerleaders are really having a fine time! Paul, what were you doing driving around in circles out at "The Silo"? Hey, Bobby, have you got forty-nine cents?

D. E. Boys, what was the purchase you made at the Colonial Store across from the hotel? Preston, do you like Pleasant Gardens? Ben, Gene, Bobby B., Preston, Rex, Billy D., and Billy Salter really had a fine time. I wonder if Faye S. behaved herself on this trip???

See you soon (Gosh! I hope not!!!!)

Guess Who???

FRESHMAN NEWS

Boy! Oh Boy! What a hayride! When Mr. Morgan's homeroom gets together — well — anything can happen. But with a full moon, pretty scenery, your favorite girl, and all of the good food you can eat, well, who wouldn't have a good time.

For the first year in high school the Freshmen aren't doing so badly with 27 on the semester honor roll. Let's keep up the good work.

Mr. Dickey's homeroom is planning a hayride for sometime in the near future. (Maybe it's contagious).

A few of the Freshmen Latin students attended the play "Media" in Raleigh several weeks ago. They went with the second year Latin class on the school bus. Speaking of Latin, I hear some of the Freshmen are going to be slaves at a Roman Banquet given in the latter part of April. (That should be cute!)

One of our popular Freshmen boys has been quite sick for about a week. But Louis Shields is back again now and after a long rest seems his old self. Nora Houston, at the time of this writing, is in the hospital with appendicitis. Here's wishing her a speedy recovery!

Be seeing ya'll at the Boy Shop.

Emily Hollister.

BROTHERHOOD WEEK

(Continued from page one)

Voice Class, Choir, and ensemble from the band participated.

Bob McIntyre gave the devotion Friday. A group of eleven from the Utah Centennial Choir gave two programs. The first one in the morning for the Sophomores, Juniors, and Seniors, and the second for the Eighth, Ninth and part of the Tenth in the afternoon.

Carolyn Riddick

LIFE ON OTHER PLANETS

—home made rolls and fried chicken; sports — baseball, basketball and swimming; pasttime — reading Life and National Geographic; girl — Carol. He also likes orange chiffon cake, State College, especially Dick Dickey and dislikes certain referees, onions, collards, dressing up and floor burns.

Craig has been very active during his two years at NBHS. He represents the Hi-Y on the Student & Council, plays basketball and baseball, is a member of the Monogram Club, is vice-president of Boy's Hi-Y, a Sports writer for The Bear Cub, and was on The Business Staff of the Bruin.

This peppy little senior boy plans to attend State College and study engineering. This summer he will be a councillor at Camp Sea Gull. We will miss you next year, Craig — and good luck to you in whatever you do.

Barbara Benninghoff

(Continued from page one)

blue; number—8; foods — jelly, fried chicken and mashed potatoes; sports — basketball and baseball; pasttime — talking and reading; actor — Tom Drake; actress — June Allyson; and her favorite boyfriend is, of course William.

In the four years that Barbara has attended NBHS she has been quite active. She was President of Freshman homeroom, Treasurer of Soph. homeroom, Secre-

tary, Jr. homeroom, Latin Club, Choir, Sr. Girl's Hi-Y, Beta Club, French Club, Monogram Club, Assistant Manager and Manager of the girl's basketball team and has been on the semester honor roll for three years.

Barbara didn't let me in on her future plans, but you can bet that whatever they are, William will be included. Good luck to you Barbara and remember NBHS will be cheering for you.

DRAMATEERS IN ACTION

Miss Greene's Dramateers are really doing some good work in their club. One of their most recent skits and plays was a one act play called "For a Rainy Day," which was broadcast over "New's and Views of N. B. H. S.," a few weeks ago. Also a short skit was put on by the club in chapel recently on the subject of "Brotherhood."

It was recently announced by Miss Greene that the member would produce an exciting mystery farce called "Murder at the Rehearsal." This play will take lots of hard work, but the members of the club are quite cap-

able to produce this with Miss Greene directing.

This club is always willing to help out in any way in putting on programs. They are quite capable of giving an interesting program and a program on the spur of the moment. Anyone wishing to join this club has only to go to meetings and take part in activities.
